Child pickup and release policy

School: _____ **Effective:** _____

1. Who this covers. Every child aged _____ and under in any lesson or program run by _____ ski school.

2. Authorized adults. When booking, the parent or guardian names every adult who may collect the child, with full name, relationship and phone number. We release a child only to an adult on that list.

3. Photo ID. Every adult shows photo ID at every pickup. We check it against the list before we release the child.

4. Changes on the day. An adult already on the list may add someone by calling _____ from a number on file, or in person at the ski school desk. The new adult must show photo ID.

5. Pickup time and place. Children are collected at _____ within _____ minutes of the lesson's end time.

6. If nobody arrives. After _____ minutes we call every adult on the list. After _____ minutes your child waits with staff at _____. After _____ minutes a supervisor takes over and follows our policy for an uncollected child, which may include contacting local law enforcement.

7. Someone not on the list. Only a supervisor may release a child to an adult who is not on the list, after confirming it with a listed adult and checking photo ID. The supervisor records the reason.

8. Late pickup. A late pickup fee of _____ may apply after _____ minutes. After _____ late pickups in a season, _____.

9. Custody. Give the ski school desk any custody note or court order you want us to know about. We keep it with the booking. If adults disagree at pickup, the child stays with staff and a supervisor decides under this policy.

10. Records. For every release we record who collected the child, who released them, the time and the ID check. Records are kept for _____.
